Care good!

Fall in love with your skin!! So do something for it. Your makeup game will never be a 10 if your skincare game is about only 2. skin care is good enough to eat! Beauty is one of the rare things that do not lead to doubt on god.

Bye-bye dry skin!

As the weather changes, colder air can strip skin of it's cleanser that less drying. No matters you skin types, keeping it hydrated is essential and become harder when cold air can rob its natural moisture. Use a rich but not in cost serum to lock in hydration in the winter.
